

FAQ's

What is EFTN's FAXTellerPLUS?

FAXTellerPLUS is a brand new way for businesses to participate in remote deposit capture by using a standard fax machine with absolutely no hardware equipment or software to purchase or download.

Why should financial institutions implement EFT Network's FAXTellerPLUS program?

You can use our FAXTellerPLUS program to win new business. Plus you will develop a reputation as being an innovative bank.

What types of checks can be processed?

Any type of domestic check, money order, travelers check, or official check with a MICR line.

How will FAXTellerPLUS help our customers?

Your customers will enjoy the ease and convenience of making deposits without driving to the bank, saving money on transportation costs and on equipment.

Faster access to cash and fewer trips to the bank.

You should know your bank - but you can certainly cut down on your visits. We know that you need to work as efficiently as possible, and driving to the bank to make deposits can get very expensive and just isn't a productive use of time.

That's why we recommend our new cost savings service, FAXTellerPLUS™ to deposit checks conveniently at your place of business. It's easy, secure and efficient.

FAXTellerPLUS™

small business banking and home deposit solution.

Financial Institutions can sign up with EFT Network to offer FAXTellerPLUS to business banking customers and as a home deposit solution for consumers. This patent pending technology, the first of its kind, is a brand new way for business banking customers and consumers with low check volume, (30 checks per day or less), to participate in Remote Deposit Capture by using a standard fax machine.

Benefits for your Bank:

- Retain current customers
- Win new business
- Increase deposits
- Develop reputation as being an innovative bank

If your bank doesn't have a low check volume deposit system in place, we can get you started with FAXTellerPLUS TODAY.

customized
for your bank!

Customized Bank Package

If you decide to use FAXTellerPLUS, EFT Network can customize our FAXTellerPLUS documents with your bank logo, name and product name!

How It Works.

Place up to three checks inside the check carriers, fax the front and back of the checks to EFT Network's dedicated fax number. The check carriers are customizable and contain unique identifiers with both depositor and depository bank information. A confirmation fax is sent back to the originating fax machine or an e-mail is sent each day with your deposit total.

Benefits for your customers

No Equipment

All that is needed is a fax machine, check carriers and our dedicated fax number.

Eliminate Expensive Scanners

No expensive scanners to purchase or lease.

Secure Check Transmission

The check carrier contain unique identifiers with both depositor and the depository bank information.

Reduce Bank Visits

Saves your customers unnecessary trips to the bank for daily deposits.

Electronic Deposits

Improves cash flow and simplifies deposits for faster funds availability.

View Deposits

24/7 access to view all check images and reports on your deposits by fax, email or online.
